(Applicant)

An Enet computer account is for appropriate educational/research use only.
You are required to be familiar with and comply with policies here:

<http://www.enet.umn.edu/docs/policies/enet-policies.html>

Misuse of an account will result in the account being closed. Usage of Enet networks and computers is subject to monitoring by Enet and University Staff, as required to maintain the systems and enforce Enet and University Policies

For security reasons you are NOT, under any circumstances, allowed to share your accounts, passwords, access cards, nor security codes with anyone else (not even your supervisor)!

Your Initial Password (below) must be changed within 5 days of account creation, See:

<http://www.enet.umn.edu/docs/policies/passwd.html>

By signing this form you (the applicant) agree to these conditions.

Applicant Signature: _____ **Date:** _____
